Minutes of LIA - Nov. 18, 1974

The meeting was called to order by President, Tom Whitten, with the following Directors present: Tom Whitten, Anne Thompson, Lloyd Pera, Stan Evans, John Tatum, Jim Polk, Ed Thiede, Jim Amos.

The minutes were approved. John Tatum reported that our savings accounts stand at: Lafayette Federal, $1832.47, and $1962.19; and Bank of America, $1,096.03, for a total of $4890.69.

The Rent Lease was discussed and Tom Whitten reported that he had negotiated with the Dramateurs, as tenants, to pay the $165 for removal of the tree outside the building. The Dramateurs will also pay $900 of the $1,000 estimate to stain the building with the LIA paying the $100 remainder.

The Litter Campaign was a great success. Sue Jones wrote an excellent letter to all those who helped.

LIA Night with the Dramateurs will be Jan. 18, "Tom Jones." It will possibly cost $4 per ticket. Jan. 4 will be the cut-off date. The "Town Cryer" will send out notices to its 401 members. The letter will be sent third class mail. Jim Polk will write about OPeration I.D. to be included in the "Cryer".

LIA received a note from Lewis P. Reynolds that complimented the work of LIA and wanted something to be done about mailbox tampering in Lafayette. We will look into getting stickers from the Post Office saying "Warning, $2,000 of five years!" to be included in the "Town Cryer".

A motion was passed to pay the insurance premium on cars driven on LIA business. It is $121.00.

Under Operation I.D., November is Operation I.D. Month. Jim Polk will look into having the city send out letters in support of Operation I.D. to all homeowners.

LLoyd Pera brought up a request by his homeowners group to have LIA speed up action on the unsafe St. Mary's Bridge. A motion was passed to send a letter to the City Council requesting immediate action of replacing or repairing the bridge.

Ed Thiede mentioned that the Left turn signal at First Street and Mt. Diablo was very dangerous. A letter will be sent to the city council requesting that the light be made more safe. Ed also wanted to know why Mt. Diablo had not been improved past the area it was. The Chamber of Commerce will be asked to get Merchant opinion on getting it extended.

The meeting was adjourned at 9:00 sharp with an invitation to be present at the Christmas party with spouses at Tom Whitten's on Dec. 9.

Respectfully submittec,

Anne Thompson, substitute Sec.
